Statement by Cal/EPA Secretary Alan Lloyd on Air Board Chairwoman Cindy Tuck

(SACRAMENTO) – California Environmental Protection Agency (Cal/EPA) Secretary Alan C. Lloyd made the following statement following the Senate's party-line vote today rejecting the appointment of Cindy Tuck as chairwoman of the California Air Resources Board:

"I am disappointed in those Senators who failed to give Cindy an opportunity to prove herself in this important position. She was an exceptional candidate for the job. Although this is a personal setback for Cindy, the real loss belongs to the people of California who would have benefited from her knowledge, experience, work ethic, and passion for bringing people together toward common solutions.

"I wish Cindy the very best in her career and look forward to working with her in the future, in whichever capacity she chooses, to improve Californians' quality of life."
